# PTK'S SPORTY *League*

PTK's Sporty League is our brand's way to take the aesthetic behind sports from "solely fit for one occasion" to "a way of life". This collection focuses on taking traditional concepts from the American Big Leagues, like the NFL and the MLB, by using their typographies, symbolisms, expressions, and uniforms as sources of inspiration for the creation of our active wear and it's complements. Our color spectrum is made up of colors fit for the upcoming Fall and Winter seasons along with our cuts and symmetries so you never feel off trend.
